a. On 4 November 1959 John Edward Pic, SSgt, BCOUC, Blood Chemistry Section, USAF Hospital, Tachikawa Air Base, Japan, voluntarily appeared at the OSI Detachment Office and reported that on 1 November 1959 he heard a radio broadcast concerning Subject, who is his half-brother, to the effect that Subject had turned in his passport to American Embassy officials in Moscow, USSR. SSgt Pic was of the opinion that his half-brother contemplated renouncement of citizenship because he was forced out of his chosen career, the U.S. Marine Corps, in order to support his mother and that he might also have been influenced to a degree by two other Americans who renounced their citizenship which were widely publicized.
